PROFESSIONAL EXPERIENCE

AMAZON

Summer Finance Manager – Finance Leadership Development Program (FLDP)

Seattle, WA

May - Aug 2025

- Improved forecast accuracy by 17% (\$9.6M uplift) by engineering Python-based accrual model with variance-pattern logic, replacing manual trailing averages with automated calibration and validation
- Identified \$100K–\$12M monthly gaps by leading cross-functional process review across Sales Compensation, Accounting, and FP&A teams; delivered root-cause process map adopted by leadership
- Automated data pipelines by replacing manual workflows with Redshift SQL + Python, consolidating 150+ spreadsheets into unified dashboards across business units

ROYAL BANK OF CANADA

Quantitative Trading Associate – Quantitative Strategies Group, Index Desk

New York, NY

Jan - Jul 2024

Quantitative Trading Analyst

Jun 2021 - Dec 2023

- Boosted profitability in \$3B+ index derivatives & ETF portfolio by transforming semi-systematic strategies with signal- and rate-based processes; increased year-on-year P&L through 250+ automations in Python and kdb+/q
- Launched new product strategies (BTICs, dividend futures) and automated edge adjustment of current strategies by driving development and adoption of new platforms in collaboration with engineering teams
- Built and launched real-time liquidity coverage tracker post-SVB, adopted by 4+ teams firmwide; developed balance sheet visualization eliminating cross-department data discrepancies
- Managed \$20B+ balance sheet initiatives, reducing funding delays by 2+ days and improving live leverage visibility during volatile rate environment
- Led intern recruitment, training, and mentorship as intern manager for two consecutive years

PROJECTS

- **Forekast / WhartBets (forekast.me, whartbets.com, iOS):** multi-exchange prediction market platform with LMSR pricing engine, atomic trade execution via Cloud Functions, real-time portfolio tracking, forum, DMs, and admin simulation system; launched Wharton-specific instance with domain-restricted auth; native iOS app on App Store
- **SuSense (iOS, susense.me):** Dexcom-integrated diabetes management app with photo-based meal logging, glucose tracking, caregiver alert system, and push notifications; built companion web dashboard with CGM integration
- **Type A (typea.io):** AI job search, agent scrapes 20+ ATS and job boards, dedupes across sources, and scores against user's resume with Claude; Stripe-billed freemium model with shared scoring cache and daily email digest
- **Sortiva (getsortiva.com):** AI email triage connecting to Gmail via OAuth; classifies unread emails into categories and auto-drafts with user's writing style via learned voice profile; Stripe subscriptions, scheduled Cloud Functions, and chat-based draft refinement
- **TravelBug (iOS, travelbug.tech):** built iOS travel app that auto-detects visited places from photo GPS metadata via Google Places API, generates interactive trip maps with ratings, and enables friend sharing; won \$1,000 UPenn Venture Lab award

ENTREPRENEURIAL & LEADERSHIP

- **CallForChange, Founder (callforchange.us):** built civic engagement platform integrating Congress.gov API, OpenAI, and Twilio to help users contact representatives with AI-generated scripts; paused after identifying regulatory constraints on automated calling
- **Foursquare Education, Co-Founder & Executive Director:** created financial literacy case competition program reaching 500+ foster youth; directed game developers in proof-of-concept video game for virtual case expansion
- **Susie B's Gluten-Free, Co-Founder:** launched and scaled online dessert company to \$25K+ in sales, building Shopify site and executing digital marketing campaigns

SKILLS & INTERESTS

- **Technical Skills:** Python, SQL, TypeScript, React/React Native, Node.js, Firebase, VBA, kdb+/q
- **Certifications:** SIE, Series 7, Series 57, Level 1 Ski Instructor (PSIA), Certified Yoga Instructor
- **Languages:** French (proficient)
- **Interests & Personal:** Snow skier, marathon runner, avid baker; two-time RBC holiday "row decorating" champion
